

## KY SPECIFIC GENERAL INDUSTRY REGULATIONS

This unofficial posting contains only Kentucky-specific standards and Kentucky-specific amendments to the federal Occupational Safety and Health Administration standards. The reader should initially refer to this “publication” to determine whether any state-specific language exists that supercedes the 29 CFR Part 1910 requirements.

### NOTICE Regarding Printed General Industry Standards

#### 29 CFR PART 1910

Federal text that has been adopted in the Commonwealth of Kentucky.

### RECORDKEEPING
